Hi Ken,

I know your plate is too full - I wanted to follow-up on this matter re. Jenna Snow's analysis and recommendations. Perhaps if you have an available time slot sometime next week, we can discuss further by phone.

Appreciate it,

Gerald

Hello Ken,

Thank you for recently meeting with our office on a range of CD1 historic preservation issues. In terms of the Pico-Union HPOZ boundary issue, I am forwarding an electronic copy of materials, including an analysis by consultant Jenna Snow.

I know your plate is full - if you don't mind, would love to tag-base with you by, say, end of next week if at all possible - to hear your comments and feedback.

Much appreciated,

Gerald
